

HALL OF HONOR

Annually, Ambridge Area School District proudly recognizes graduates to induct into the Hall of Honor. The Hall of Honor was established to commend those outstanding graduates for their accomplishments, successes, service to others and/or state and national awards. Nominees must have graduated at least ten years prior to be eligible. The primary goal of the Hall of Honor is to have our current students aspire to the greatness that other Ambridge Area graduates have achieved. We are proud of our District and community. Those successful graduates add to our greatness and allow us to encourage and motivate current students for future aspirations.

PURPOSE

To recognize alumni who have achieved outstanding accomplishments and to establish a lasting relationship with their alma mater.

GOAL

To provide ongoing reminders and personal interaction for our students with inductees to encourage and motivate success in careers and life.
