

Beaver County LGBTQ+ Youth Inclusion Event

March 29, 2019

Ambridge Area High School

On Friday, March 29 2019, we will be holding an inclusion event for LGBTQ+ youth in Beaver County.

We would like to invite interested youth in grades 9-12 in any Beaver County Schools to join us at Ambridge High School from 9:00am – 2:00pm. Our goal is to have a panel of guest speakers to share about personal experiences as well as resources available for support for youth in Beaver County. We will have an open resource fair time for students to speak to representatives from different supportive agencies in the community. The event will also include time for youth to spend with peers in group team-building activities and discussion groups related to LGBTQ+ current issues. Breakfast items, lunch, and snacks will be provided.

Registration Form for Schools

Please return by February 18
