**Re: Title I Schoolwide Program**

Mr. Thomas McKelvey, Principal  
State Street Elementary School  
Ambridge Area School District  
600 Harmony Road  
Baden, PA 15005

Dear Principal McKelvey:

This is official notification that your school district has been approved to operate a *Title I Schoolwide Program* for State Street Elementary School in the Ambridge Area School District beginning with the 2015-16 school year.

Please remember that a *Schoolwide Program* is a comprehensive reform strategy designed to upgrade the entire educational program in a Title I school. The primary goal is to ensure that all students, particularly those who are low-achieving, demonstrate proficient and advanced levels of achievement on state academic achievement standards.

Please keep a copy of this letter in your files for monitoring purposes. Also, you are required to have your Title I consolidated application revised to reflect your *Schoolwide Program*. Changes will need to be made to LEA Plan section and adjustments must be made to the Selection of Schools page since this school is now a Schoolwide building and all students are designated as Title I students.

If you have any questions or need further assistance with your *Schoolwide Program*, please contact your regional coordinator.

For additional information regarding your Schoolwide program, please refer to the following links <http://www.ed.gov/programs/titleiparta/legislation.html> / [www.ed.gov/programs/titleiparta/fiscalguid.pdf](http://www.ed.gov/programs/titleiparta/fiscalguid.pdf).

Thank you for your continued dedication in educating the children of the Commonwealth.

Sincerely,

Maria Garcia  
Regional Coordinator  
Division of Federal Programs
