

Sophomore Year Checklist

August – October

- Study hard and work on getting good grades
- Meet with your counselor to review grades and courses
- Get involved in community service projects. College and scholarship applications will ask for this.
- Attend a college fair – Penn State Beaver, Robert Morris University
- Take the PSAT in October

November – December

- Take the PLAN in November
- Continue to get involved in extracurricular activities like clubs and sports

January - February

- Continue updating resume and personal portfolio. Having this information organized will help with college application process.
- Continue to explore the Career Cruising website to plan for your future
- ASVAB testing: all 10th graders

March – April

- Schedule classes for 11th grade
- Look through college information located in the guidance office

May – June

July – August
