

# 6th Grade PROJECTS

## Superhero Illustration

Students will be designing and creating their very own superhero using a variety of drawing and colored pencil techniques.

## Junk Art

Students will be studying the work of Louise Nevelson. Students will be creating their very own "Junk" art collage using found objects and hot glue to create a unique and eye-catching sculpture.

## Indirect Shoe Self Portrait

Students will create an INDIRECT self-portrait with a pair of shoes that they feel best represents themselves. Students will refine their observational drawing skills with this project!

## Tissue Letter Collage

Students will be creating Tissue letter collage. Starch and tissue paper will be used to give this a "stained glass" effect!

## Dear 6<sup>th</sup> Grade Parents and Families,

Greetings!!! I am Mrs. Seifert and I'm so excited to be your child's art teacher this year! I have been teaching in Ambridge school district since 2014 (Economy, State Street and now the middle school). Currently, I teach 6<sup>th</sup> grade (middle school) and Economy Elementary school. I am pleased that sixth grade art will now be a nine-week course! This is a nice change because students will have art every day of the week! Thank you for coming to open house! If you have any questions or concerns please feel free to contact me via email ([jseifert@ambridge.k12.pa.us](mailto:jseifert@ambridge.k12.pa.us)) or by phone at (724)-226-2833 ext:6248 (EE) or ext:3288 (MS).

Thank you,

**Mrs. Seifert**
