

## PARENT SURVEY RESULTS

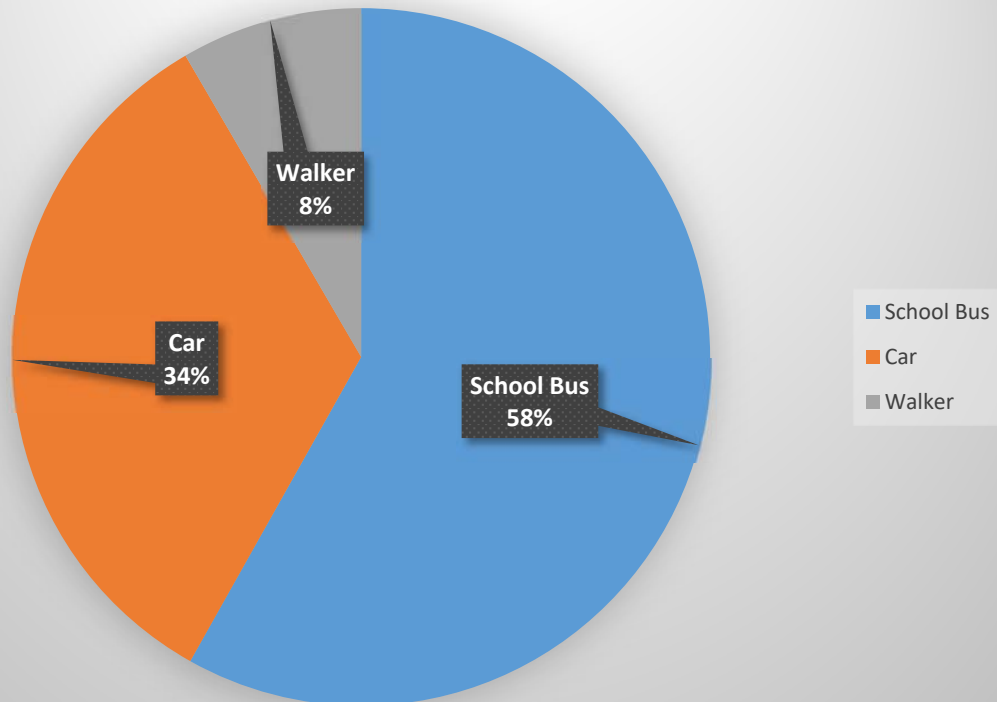

To better understand how the Ambridge Area School District can best serve its community, we gathered feedback and input from district families through community surveys. Survey results were combined from the online survey (6/10/20) and both telephone surveys (6/18/20 and 6/22/20). Duplicate entries have been removed. Partial entries have been included. The combined survey results are listed below.

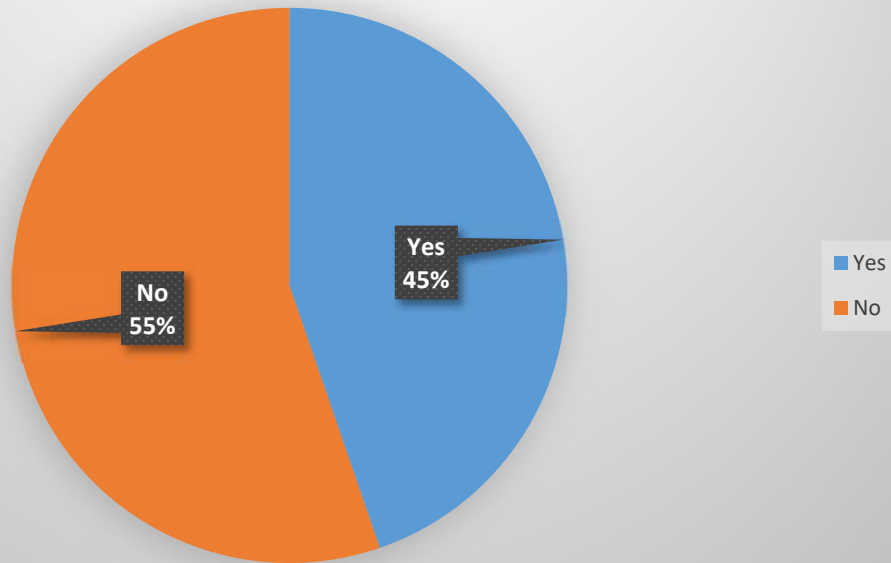

## Do you have reliable Internet access at home?

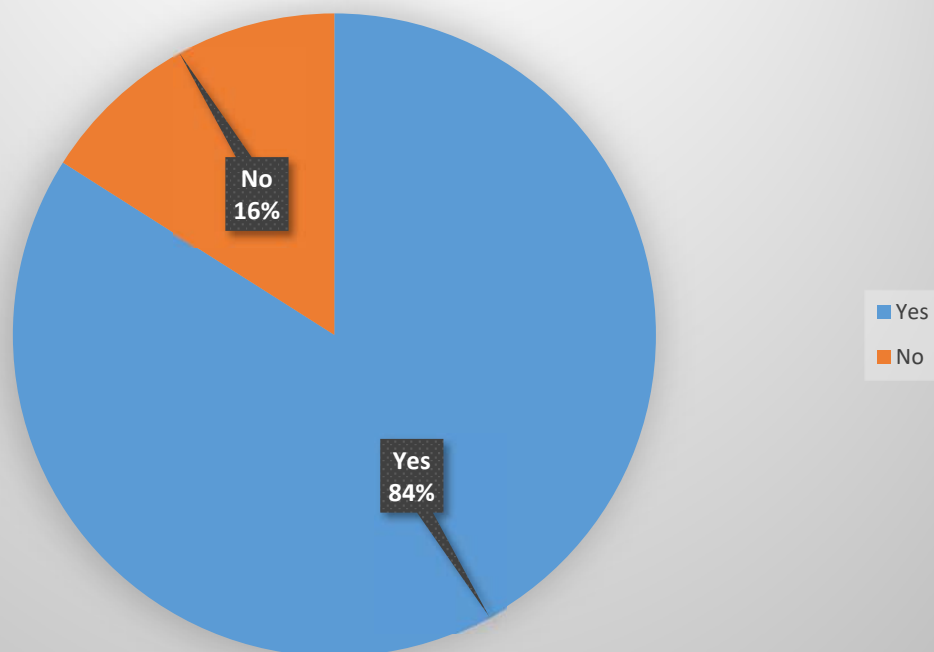

## Transportation in the Fall 2020

**Would the possible requirement for your child to wear a mask deter you from sending your child back to school or on the school bus in the fall?**

**Do you think we should use more video conferencing sessions in the fall when available?**

# Were you able to effectively communicate with staff members?
