**\*\*\*A portion of the funds will be given to our 4th Grade teacher, Mrs. McKenzie\*\*\***  
Penn State University master gardeners from Sahli Nature Park in Chippewa are overseeing Mrs. McKenzie's endeavors to build a 3-season Pollinator Butterfly Garden at the entrance of State Street Elementary! The garden will provide an outdoor classroom setting for hands-on learning for our PreK - 5th Grade students.

**Thank you Mrs. McKenzie!**
