

PARENT / GUARDIAN MUST READ & SIGN

Dear Elementary Families,

The Elementary Parent/Student Handbook is available electronically on the Ambridge Area School District website at www.ambridge.k12.pa.us. Please review the handbook together with your child to be apprised of its contents.

This handbook has been prepared to inform you about Ambridge Area Elementary Schools. You will find the rules and regulations that govern the day-to-day operation of our school in this handbook. You will also find important information that everyone needs to know and understand. Please read this handbook carefully. It provides valuable information that can be used throughout the school year. If you do not have internet access, please call the school office and a copy of the handbook will be provided to you.

In addition, the handbook contains the Acceptable Computer and Network Usage Policy for students, pages 27-30. The Parent/Guardian must sign the bottom of this form to verify that they have read the contents of the handbook and that they are aware of the guidelines set forth for computer usage. Your signature indicates that your child may access the internet and use the District-assigned Office 365 apps and email account. Please review the computer guidelines with your child.

If this form is not returned to your child's homeroom teacher, your child will not have access to the school computers. Please sign and return the bottom portion of this letter by Friday, September 6, 2024.

Lastly, it is the parent/guardian's responsibility to inform the school of any changes of address or telephone number in writing upon a change occurring.

Sincerely,
The Elementary Administration
