

Richard D. Zana Memorial Fund Scholarship

Scholarship Guidelines and Application Form

Introduction:

Richard D. Zana was a music educator in the Ambridge Area School District for 38 years both as a choir and band director and was also the founder of the Ambridge Area High School Steel Drum program along with Sal Aloe, which continues to this day. A member of the barbershop chorus, King Beaver Barbershoppers, Mr. Zana also directed and coached the Sweet Adelines. He instilled a deep love of music in his students and brought joy to all who knew him. Sadly, he passed away July 13, 2008 after a battle with cancer.

The Richard D. Zana Memorial fund was founded by a group of appreciative former students of Mr. Zana to honor his life and career by providing both music scholarships for talented area students and benefits for cancer research. The fund is supported by ZanaFest, an annual music festival meant to preserve his enthusiasm of music and celebrate the life of one of Beaver County's most influential teachers. The Richard D. Zana Memorial Fund is held within The Beaver County Foundation, a community foundation and trust authorized to function as such by the Internal Revenue Service and the Commonwealth of Pennsylvania. Beaver County Foundation, PO Box 569, Beaver, PA 15009.

General Scholarship Committee Information:

The Scholarship Committee of the Richard D. Zana Memorial Fund consists of five (5) Board Members who will review all applicants scholarship application packets and meet with the members of the Beaver County Foundation's Scholarship Selection Committee, which combined members shall form the Selection Committee and award such scholarship(s) on an annual basis in accordance with the BCF's Donor Advised Scholarship Selection Committee and the association's established criteria, as follows:

The purpose of the scholarship is to further the post-secondary education of qualified graduating seniors by helping to defray the costs of the first year's tuition, books and related academic fees. The total number of scholarships awarded and the amount of such scholarship(s) may vary from year to year.

Guidelines:

The Beaver County Foundation administers many different funds for the benefit of the residents of Beaver County pursuing education in a post secondary setting. Each scholarship fund has its own selection criteria to evaluate and determine scholarship awards.

The Beaver County Foundation uses the same application for all scholarships for which it makes the selection. Scholarship selection committees may choose to use their own application form or may require additional information. Scholarships are awarded to the student, but payment is made to the educational institution.

Applications may be submitted by students about to complete their senior year of high school, and in some cases by students already enrolled in a college or university.

Letter of Recommendation Suggestions:

When selecting someone to complete your recommendation, select an individual who will be thorough in the review of your character. Select someone who knows you and your family well and will be able to give a candid and unbiased evaluation. Your recommendation must be completed by someone other than your parents, family, or school counselors. In the past, recommendations have been written by clergy, coaches, employers, supervisors, neighbors, teachers, or a family friend.

Criteria the evaluator may consider when writing your recommendation letter:

- Academic performance
- Personal character
- Leadership qualities
- Determination to succeed
- Community service
- Clear plan for attaining educational goals
- Overall comparison to classmates/peers

*The evaluator should also provide a brief statement as to why he or she thinks you are most deserving of the scholarship.

Personal Essay Instructions:

On a separate sheet of paper, please take the time to prepare a well developed, well written, grammatically correct essay. This is your opportunity for the Scholarship Committee to get to know you as an individual. While GPA, ACT/SAT scores, financial need, etc., are important selection criteria, a good essay often sets one student apart from others who are equally qualified. The essay is to be limited to 250 words or one page. You may want to write about how you have come to select music as a major course of study. The objective is to give you an opportunity to tell us about another dimension of you not previously revealed. There is no “correct” way to develop and prepare this essay. By writing about something that matters to you, you will convey a sense of yourself that will provide invaluable information and insight during the evaluation process.

The essay must be typewritten (not handwritten) and included with the complete application packet. Spelling and grammar **DO** matter—if you cannot take time to submit a grammatically correct essay, what guarantee is there that you will take the time necessary to receive full advantage of your college or university education? If you are concerned that your writing skills are not what they should be, we suggest that you have a teacher or counselor proofread your essay for grammatical and spelling accuracy.
